WINE RECOMMENDATION

2022 Sauvignon Blanc 500 Quality wine dry

The grapes come from younger, densely planted vineyards in the Deidesheimer Paradiesgarten and are spontaneously fermented in French tonneaux barrels. The complex nose opens with light notes of acacia, rooibos tea, lemon balm, lemon, elderflower and subtle hints of white bread. On the palate, it has an almost Burgundian fullness with aromas of quince and grapefruit, accompanied by a gripping and vibrant acidity, yet mineral and spicy in the long finish.
